

# Quality Policy Statement

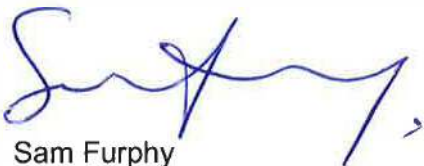

Landmark Products is committed to providing products and services that satisfy its customers' requirements to the highest standards, and fulfil their expectations of receiving excellence by dealing with Landmark.

Landmark has continually expanded its range of products as a result of enduring customer demand and aims to continuously enhance its established reputation as an industry leader.

To achieve this, Landmark implements and maintains a Quality Management System based on the continual improvement model outlined in AS/NZS 9001.

The Management System undergoes regular review and evaluation to measure its effectiveness in meeting our quality objectives.

Staff and management of Landmark are committed to the continual development and improvement of their products and services in order to attain complete customer satisfaction.
